

2001-2002 Verification Worksheet

Federal Student Aid Programs

FORM APPROVED OMB NO. 1845-0041 EXP. DATE 12/31/2002

Your application was selected for review in a process called "Verification." In this process, your school will be comparing information from your application with signed copies of your (and your spouse's, if you are married) 2000 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you may need to send in corrections on your Student Aid Report (SAR), or your school may send corrections electronically, to have your information reprocessed.

Complete this verification form and submit it to your financial aid administrator as soon as possible, so that your financial aid won't be delayed. Your financial aid administrator will help you.

What you should do

- 1. Collect your (and your spouse's) financial documents (signed Federal income tax forms, W-2 forms, etc.).
- 2. Talk to your financial aid administrator if you have questions about completing this worksheet.
- 3. Fill in and sign the worksheet.
- Take the completed worksheet, tax forms, and any other documents your school needs to your financial aid administrator.
- Your financial aid administrator will compare information on the documents. You may need to make corrections on your SAR and send it back to the application processor.

Your school must review the requested information, under the financial aid program rules (34 CFR, Part 668).
